## Meet The Runner | COLLEEN DUNN

Colleen started running 2 ½ years ago after two of her daughters encouraged her to run a 5k with them. With only a couple days of training, she endured. Now, hooked, Colleen loves running for her health and well-being. One of Colleen's favorite runs is around a small lake in Billings, MT. She is now training for her first marathon – the Fargo Marathon.

## The Race | FARGO MARATHON

The Fargo Marathon is best described as Flat, Fast, Friendly & Fun. Most importantly Fargo is 80 miles south of Colleen's eldest son's hometown, Grand Forks. Not only is Colleen running her first marathon for Bright Hope, she is making a long awaited trip to visit her son.

## The Goal | \$500 FOR BRIGHT HOPE SCHOOL

Colleen would like to raise \$500 for Bright Hope School in Addis Ababa Ethiopia. Bright Hope is a school 1<sup>st</sup> through 8<sup>th</sup> with 2,145 students. There are currently 3 – 500 orphans attending Bright Hope, with most students having lost one or both of their parents to HIV/AIDS or leprosy. Bright Hope is establishing a fresh water source and a self-sustaining food supply. By providing a fresh water source and a self-sustaining food supply, Bright Hope School will be able to feed the children, supply fresh water to drink, teach the children a useful life skill, and sell any excess vegetables and chickens to the public.
