Meet The Runner | DOUG FLETCHER

Doug Fletcher of Bozeman MT is an avid outdoorsman. He enjoys biking, running, camping, fishing, hunting, downhill and x-country skiing. Although he spends most his working hours behind a computer at the business he co-founded, North Star Consulting Group, he tries to spend as much time in the outdoors with his family and friends. He's a jack of all trades athlete and couldn't possibly pick one sport to do year-round.

The Race | LEADVILLE TRAIL 100-MILE MOUNTAIN BIKE RACE

The Leadville trail 100-mile mountain bike course is within the beautiful, high altitude mountains and valleys of Leadville, Colorado. The majority of the race is on back-country roads with some short sections of paved road. The entire course is 9,000 feet and climbs to almost 13,000 feet.

The Goal | \$5,000 FOR BRIGHT HOPE SCHOOL

Doug would like to raise \$5,000 for Bright Hope School in Addis Ababa. Bright Hope is a school 1st through 8th with 2,145 students. There are currently 3 – 500 orphans attending Bright Hope, with most students having lost one or both of their parents to HIV/AIDS or leprosy. Bright Hope is establishing a fresh water source and a self-sustaining food supply. By providing a fresh water source and a self-sustaining food supply, Bright Hope School will be able to feed the children, supply fresh water to drink, teach the children a useful life skill, and sell any excess vegetables and chickens to the public.
